Guidance may include:

- Strategic Planning & Requirements Research
- Academic Qualification Assessment
- Transfer Credits Evaluation
- Degree Plan and Course Requirements Review
- College Essay Coaching & Critique
- Guidance with the Online Application
- Application Portal Set-Up & Follow-Through

\$ 575

Includes:

- ◆ (3) virtual one-on-one strategic planning sessions
- ◆ GoogleDocs review of the main essay (personal statement)*
- ◆ Backend research and strategic planning
- ◆ Personalized online application management board (app & online)

**This package is ideal for a single application transfer with a completed draft of the required essay. Students must submit a complete college transcript and the target university and major prior to the first session. Students must ensure that they meet the university transfer requirements prior to committing to this package. Ground-up essay coaching can be added at \$125/hr. depending upon my availability. Otherwise, this package includes a comprehensive critique of a completed application essay. Prior Premier Package clients receive a 20% discount.*
